SEPTEMBER 11, 2020

St. Matthew School Newsletter

Ms. Joan Schlaefer, Principal

2020-2021 School Year

Dear Parents,

Another successful week! We will continue to send updated COVID information from Fond du Lac County Health Department as it becomes available. There is a ton of information and it can be very difficult to filter through and understand. If you need help deciding when and if to send your kiddos to school, please call. We are in constant contact with Fond du Lac County and will find the answers if we do not know them. We are here to help! We want to keep everyone safe.

Sadly, our kitchen staff is quarantined due to being exposed to a positive case outside of school. In case you have heard rumors about some crazy, random dancing in the cafeteria, it may be true ;). We are trying to make the best of every situation. Please see the note about Hot lunch for next week. We will keep our kitchen staff in our prayers so they remain healthy!

The "Cents for Cesar" Penny War will begin on Monday. The students are super excited about making a difference in the life of a little boy.

Our first Mass is Tuesday, September 15th at 8:30am. You are welcome to attend and you may sit with your child(ren), however, you must meet your child(ren) in church as we cannot allow anyone in the school building at this time. Also, please maintain social distance and avoid the roped off pews for seating.

Have a great weekend!

J. Schlaefer

Milk will be available

CENTS FOR CESAR FUNDRAISER STARTS MONDAY, SEPTEMBER 14TH

Pennies are "positive." Here's how it works:

◊ Containers are located by the office; one for each classroom

◊ Each penny counts as one positive point for YOUR classroom

◊ Each silver coin/paper bill counts as negative points for OTHER classrooms. In other words, dropping a quarter in another classroom's bucket takes 25 points from their total

Points:
Adding (+)
1 penny = 1 point

Subtracting (-)
Nickels = 5 points
Dimes = 10 points
Quarters = 25 points
$1 Bills = 100 points
$5 Bills = 500 points
$10 Bills = 1,000 points
$20 Bills = 2,000 points

Upcoming September Birthdays

11th—Ava
12th—Dalton
14th—Sterling
18th—Leigha
