St. Matthew School Newsletter

Ms. Joan Schlaefer, Principal
2020-2021 School Year

Dear Parents,

We are so happy to be back! We have had a great first couple of days together and all of the kiddos are doing a fantastic job following the new rules and guidelines. They are being great about wearing their masks and we are very appreciative for your constant support with all of the things we have asked you to do. Our goal is to keep everyone safe and keep everyone in school and with these extra measures in place, we hope to do so.

We have a few bugs to work out with the arrival and dismissal procedures but expected it to be a trial and error process in the beginning. We have a new cross walk ahead of the playground for the safety of the kids but would appreciate it if you could park on the same side of the street as the playground. We will be asking that you stay in your cars until we bring the students out (the tinted windows in cars are making it difficult to see who is here). We will be tweaking the procedure a little next week so please watch for a few minor changes. Thank you again for your patience and understanding. We will get there but for now, I am just happy we are all in school!

We hope you have a great weekend and again, thank you for sharing your family with ours! We are thrilled to be here!

J. Schlaefer
