# St. Matthew School Newsletter

Ms. Joan Schlaefer, Principal  
2020-2021 School Year

Dear Parents,

Thank you for coming to our Pumpkin Patch! We wanted to do something simple and fun for the kids with a little fall cheer! A huge thank you to the Schueller Family for donating the pumpkins, the 7th grade boys (plus Cooper S) for being our crop keepers, and to Joanne Theisen for the bales of hay.

Thank you for all of the generous donations for Cesar. Hopefully we can get this little guy the surgery he needs to some day walk. The fundraiser ends on September 30. Thank you for supporting our efforts.

Due to the COVID pandemic, we are limited in our event planning, fundraising, sports, etc. We would like to have a pizza and cookie dough sale. This will not be our normal pizza sale as we cannot have volunteers in the building. We are trying Luige's this year instead. Our school goal is to sell 3,000 pizzas. In the past we have sold anywhere from 3,400 to 4,600 pizzas, so we should easily meet our goal. We will be sending information very soon.

Please keep Mrs. Erickson's family in your prayers. They suffered a great loss with the unexpected death of mother, grandmother, wife and friend, Margaret Tennies. May the Tennies family find peace in the upcoming weeks and months.

Have a super weekend!

J. Schlaefer
