

Cell Phones/Electronic Devices

According to the school handbook, cell phones and electronic devices are items that **are not allowed during school hours**. We recognize that some parents feel this means of communicating is necessary. Cell phones and electronic devices ***may*** be brought to school and ***placed in the school office*** at the beginning of the day and picked up as students leave the building. Parents ***must*** sign a waiver and agree to have the devices stored in the office during school hours. **Cell phones and electronic devices may not be used during school hours unless there are extenuating circumstances.**

***Cell phones and electronic devices that are not in the school office will be confiscated until parents pick them up.**

***Parents must contact the principal to return all electronics.**

***Repeated offenses will result in detention and or suspension as determined by the principal.**
