

Dear Parents,

This year, students in grades K5 and up will have the option to take their St. Matthew School issued Chromebook home with them for the 2020-2021 school year. However, if a child is required to take their Chromebook home for virtual learning, you will be responsible for making sure it is returned at the end of the school year in good working condition. If you do not return the Chromebook, you will be billed for replacement at \$190.

Students who take Chromebooks home are required to pay an annual insurance fee of \$25. Students will not be allowed to take their Chromebooks home from school without a completed form and payment on file in the office.

Thank you,

St. Matthew School
