Dear Families,

Thank you for registering for the upcoming school year! We have spots available in our K3 part-time, and a few left in our K4 program. We will continue to accept registration for grades Kindergarten through grade 8 as well. Our K3 full time is now full for fall. Continue to spread the word about your choices for education and invite others to join our family. You are our best source of recruiting, so thank you!

Thank you to everyone who helped make pizzas this past weekend! Your willingness to volunteer made the event a tremendous success. We are so fortunate to have such a supportive and generous school community. As promised, we held a raffle drawing of all volunteers. One volunteer was picked to win two tickets to Cabin Fever, and the winner is...Jessica Buerger! Congratulations, Jessica!

Cabin Fever information has been released, and we are excited for this year's event, Cabin Fever "Tool Time," on Saturday, March 28, in honor of Jeff Lindsley. It promises to be a fantastic evening of fellowship, fun, and celebration.

As always, you can count on an incredible menu with Jodi Hecker and Woody leading the way. We are looking forward to gathering together for what is sure to be another memorable night. Auction items are already coming in, and we will start posting items for viewing in the next few weeks. Sponsors are still needed so please reach out to any businesses you know who want to sponsor this event and get some extra advertising.

Please remember that seating is limited to 270 guests this year to ensure a comfortable experience and avoid an overcrowded gym. Be sure to reserve your table early. When you do, consider inviting another family who may appreciate sitting with familiar faces. Cabin Fever has a personality all its own—so invite a friend or family member and bring them into the fold. The more our community comes together, the stronger we are.

In addition, Parent-Teacher Conferences will be held on March 5, and we expect 100% participation. These conferences are an essential part of strengthening our partnership and reinforcing the home-to-school connection that supports your child's growth. Together, we can accomplish far more than we can alone.

During your conference, teachers will share your child's iReady results and highlight the wonderful progress being made. This is a valuable opportunity to celebrate successes, discuss goals, and collaborate for continued achievement.

Please be sure to sign up using the link below and reserve your conference time. We look forward to meeting with every family conferences and at Cabin Fever!
