

February 20, 2026

Dear Families,

Thank you to everyone who has already registered for the upcoming school year! We are so grateful for your continued trust and partnership in your child's education. Your timely registration helps us plan effectively and ensures a smooth start to the year for all of our students.

We are excited to share that we are opening an additional K4 classroom for the upcoming year! This expansion allows us to keep our class sizes small and provide each child with the individualized attention they deserve. At this time, we have 4 spots available in our full-time K4 program. The Choice Program will also fund K4 for families who qualify. If you know of any families who may be interested, please encourage them to contact us soon, as these openings are limited. Additionally, we are pleased to announce that we have openings in our part-time K3 program. However, our full-time K3 program is currently full.

We would also like to give a huge shout out to Drexel Building Supply for helping our students learn the tricks of the trade, explore careers in the lumber industry, and understand what is involved in building from the ground up. Opportunities like this bring real-world learning to life! Our junior high students are learning such important life skills, careers, and great things in our "Expose" Program.

A special thank you to Dan Hall, St. Matthew alum, for sharing his expertise and knowledge with our students and for taking time out of his busy schedule to invest in their learning. We truly appreciate your support and dedication to our school community.

Thank you for being such an important part of our school family.

Enjoy the weekend!

Joan Schlaefel, Principal
