

Dear Parent,

If you are anticipating a need for financial assistance for the 2020-2021 school year, please fill out the Financial Assistance Application. All applications must be on file by June 1, 2020 and will be reviewed by the Finance Committee. In addition, all previous balances must be paid in full, or have completed the agreed upon amount from the previous year, to be considered prior to a final decision being rendered.

Thanks for your cooperation.

Sincerely,

*J. Schlaefer*
