Dear Parents,

Happy Catholic Schools Week!

We are celebrating Catholic Schools Week with approximately 1.7 million students in nearly 6,000 Catholic Schools across the nation, serving pre-kindergarten through 12th grade.

Catholic schools consistently outperform national averages on standardized tests with high school graduation rates at 99%, and 86% attending higher education. Catholic schools focus on developing the whole child - mind, body, and spirit - through a curriculum that includes both academic and faith-based education.

St. Matthew Catholic School educates the whole child in living the gospel message through respect, responsibility, and service.

It is almost time to register for next year and receive an early bird discount. Open House for Preschool is next Tuesday and Wednesday from 3:30 pm to 6:00 pm. Do you have a preschool student you need to register in K3 or K4? Information regarding how to register will be sent early week. We are limiting the number of students in each program so sign up early to reserve your spot.

Please see the lineup of events happening during our Catholic Schools Week celebration! It's going to be a great week, celebrating your dedication, commitment, and sacrifice to send your child to St. Matthew School. Faith is our hope in the future - come along!
