

May 8, 2026

Dear St. Matthew School Families,

What an exciting time it has been on our playground! We are thrilled to share that our new swings are officially up and a huge attraction for the students. This wonderful addition would not have been possible without the incredible generosity and hard work of so many dedicated volunteers. From those who donated materials, to those who landscaped, spread mulch, laid concrete curbing, and carefully hung the swings—thank you. Your time, talent, and commitment to our school community are truly a blessing. A huge thank you to Rick Heisler and Mark Strobel for leading the pack!

The students have already had the chance to try out the swings, and their excitement has been contagious! It is heartwarming to see such simple joys bring so much happiness to our children.

We will continue to enhance our playground in the coming months by adding new pieces and making improvements. As part of this process, we will also be relocating some existing equipment so that everything is safely situated within the grassy play area. This adjustment will help free up the entrance space and make our playground an even safer environment for all.

It is hard to believe we are in the final stretch of the school year. These last weeks are always filled with meaningful moments, celebrations, and reflection. We are especially grateful to share that enrollment is on the rise for the upcoming school year. Thank you for being such wonderful ambassadors for St. Matthew School—your support and willingness to share your positive experiences with family and friends truly makes a difference.

As we look ahead, please note that daycare pricing will be increasing in July. However, as a token of our appreciation, St. Matthew students enrolled for the upcoming school year in K4, K5, and above will continue to receive current pricing.

Thank you for your continued partnership, support, and faith in our mission. Wishing you all a restful and enjoyable weekend.

Joan Schlaefer, Principal

CALENDAR OF EVENTS

May 12th - Mass hosted by Grades 2 & 3
