# COLUMBUS PARC MEMORIAL GARDEN

## What is this project?

St. Matthew's School CSVM students are creating a memorial garden to honor all the past, present, and future volunteers who have given countless hours to creating and maintaining Columbus Parc and all its baseball/ softball programs.

## Where will the garden be?

The garden will be located at the south park entrance between Hwy Y and the lower diamond outfield fence. It will become a beautiful new entrance to the park.
